

MARKS & WEINBERG, P.C.

Corporate Leasing International, Inc. v. D. Groves, D.D.S.

925 S.W.2d 734 (Tex. App., 1996)

Court held that lessee, who was in possession and using dental laser equipment, was required to license the equipment under state health and safety statute, rather than the non-possessing, non-using owner/lessor. It further held that even if owner/lessor were required to obtain a license, failure to do so would not result in the lease being illegal.
