

MARKS & WEINBERG, P.C.

General Electric Capital Corporation v. BCI Mechanical, Inc.

2002 WL 59342(Tex.App.12/17/02)

In this case, the court determined that the landlord's lien attached only to the lessee's leasehold interest. The case conflicts with law in other states indicating that a lessor's lien for rent will attach to leased equipment.

Marks & Weinberg, PC is a law firm with significant experience in dealing with virtually every type of equipment and facility lease financing. The lawyers of the firm have participated in leasing financings for more than a billion dollars of equipment and are recognized throughout the industry.
